**ALECTIA defies the crisis with their second acquisition this year**

On May 15 2009, ALECTIA took over Tano FoodCon Group. The acquisition is part of ALECTIA's growth strategy and strengthens the company's position as the leading consultant to the Danish and international food industry. The activities are gathered in the new business unit ALECTIA Food. The acquisition is ALECTIA's eighth acquisition since 2005
